LA TRADIZIONE

1923

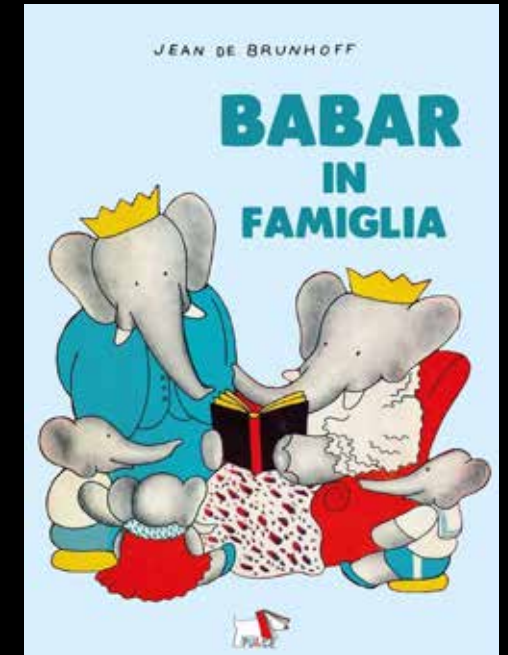

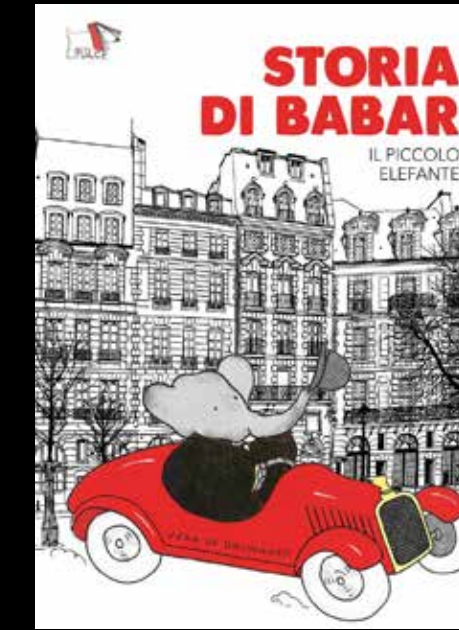

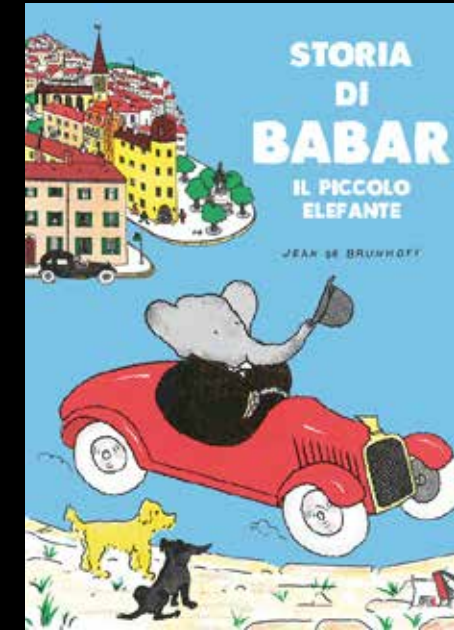

Gli animali arrivarono felici alla collina. Il maiale scelse i tronchi per la casa.
La pecora li trasportò. Il coniglio scavò le buche per i poli. L'oca mise il muschio fra le fessure per non fare entrare la pioggia nella casa.
E ogni mattina il gallo cantava per svegliare i lavoratori.

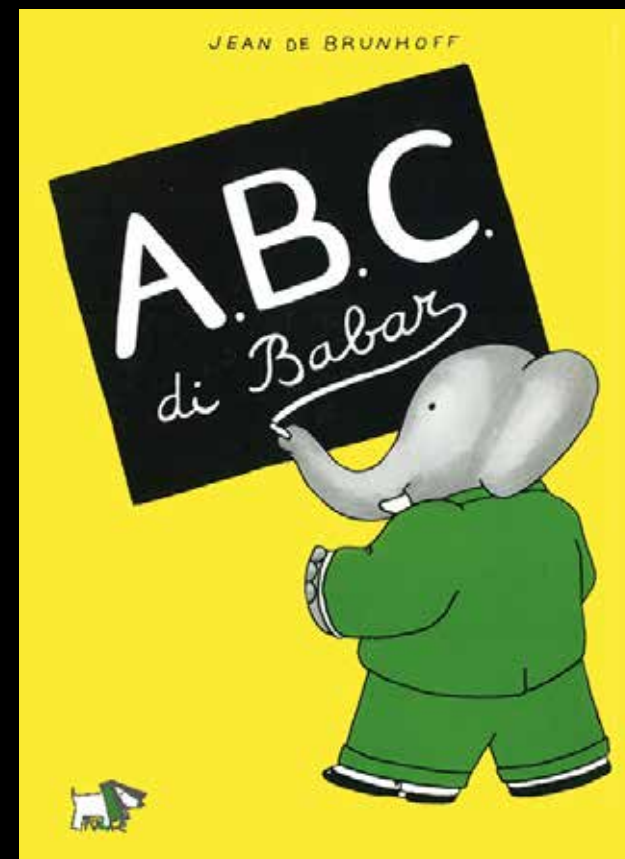

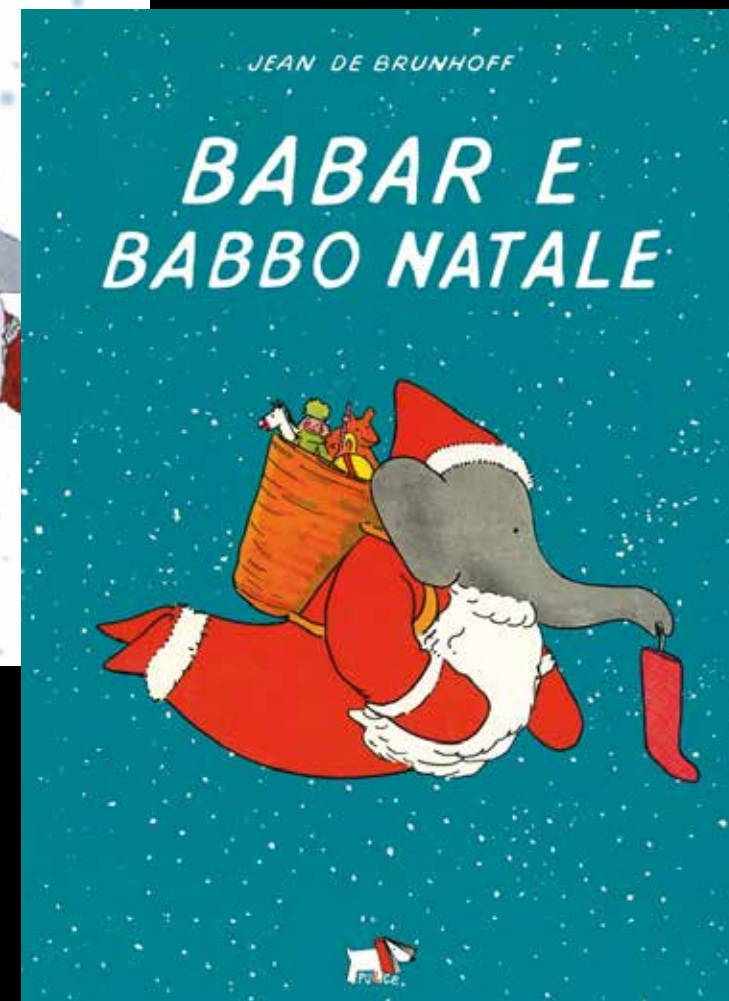

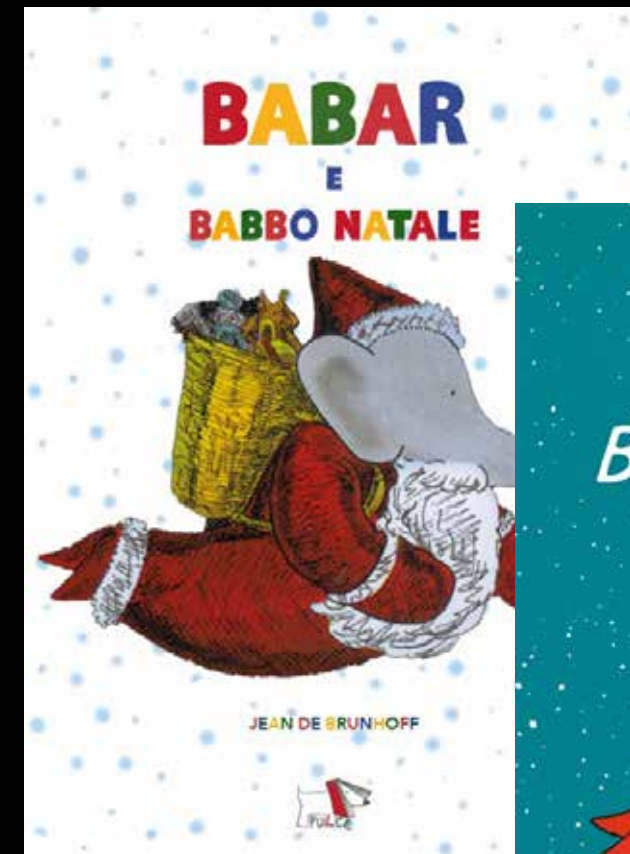

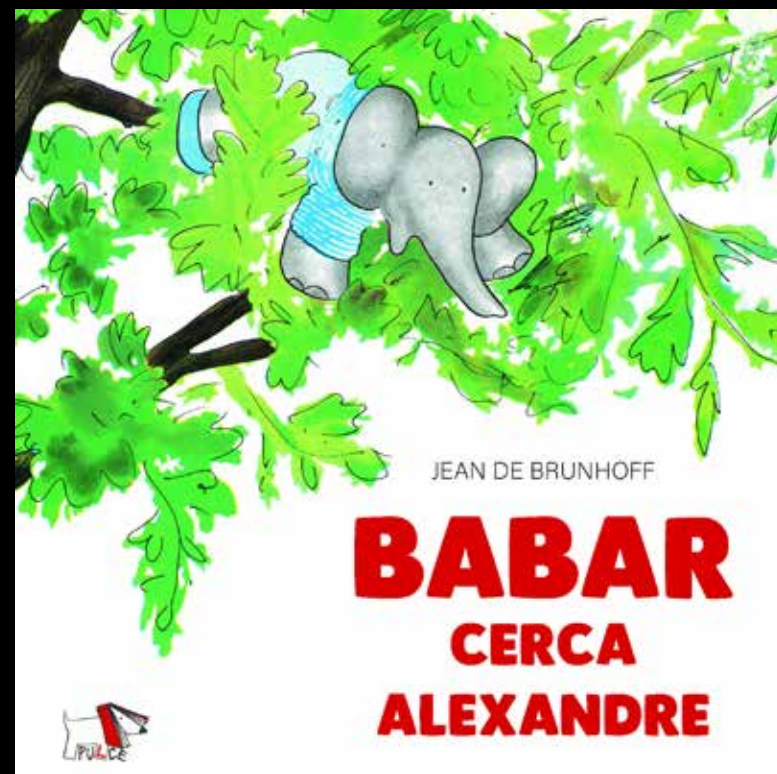

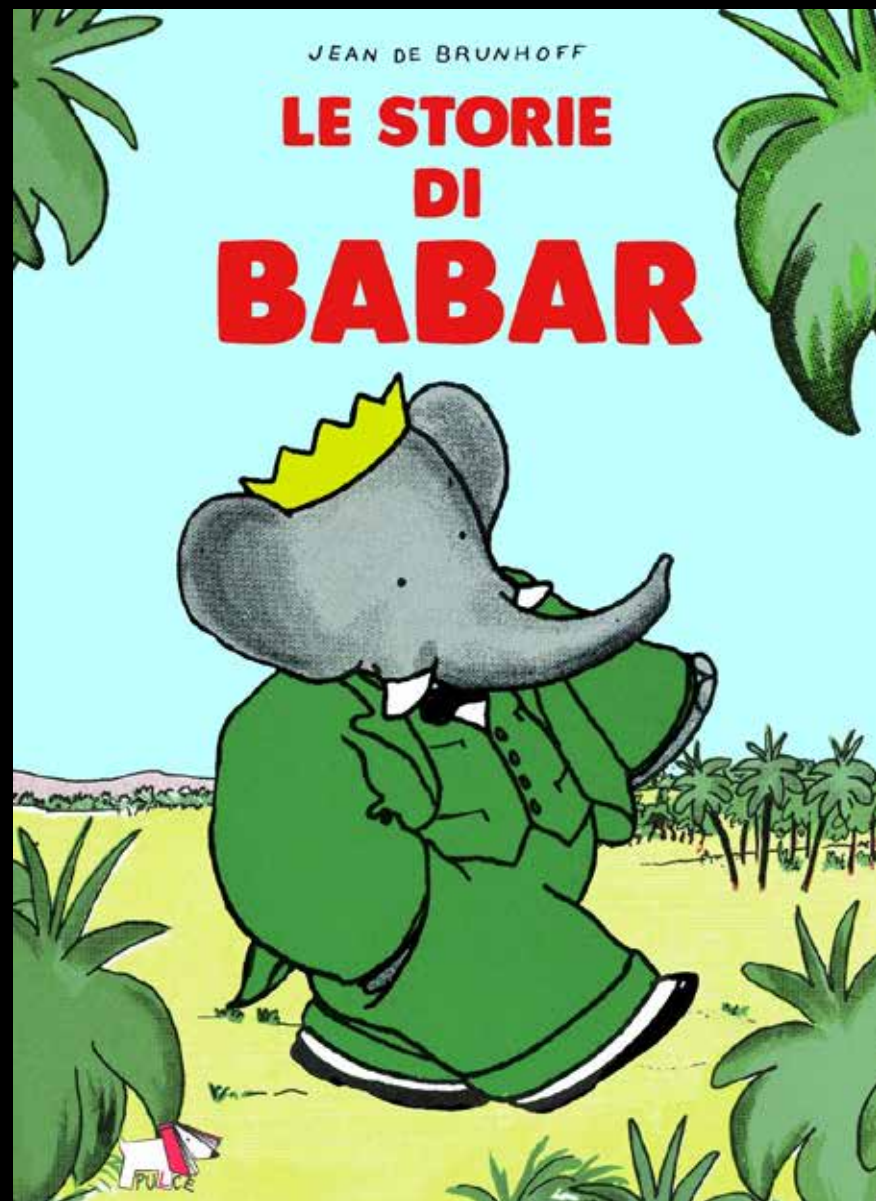

JEAN DE BRUNHOFF
1899 – 1937
IL SENSO
DELLA FAMIGLIA
